Thanks Lisa,

We are good to go for the date. Just heard back from my members. I am working on the agenda and still getting names of our members that will attend. Our focus would be on the white paper we previously submitted with the technical issues we raised.

Can I get you the list of names and a more detailed agenda later?

Thanks

Matt

Lisa,

I apologize. I should have included you on the request. Completely slipped my mind. Would three hours work?

Thanks

Hi David,

Thanks for taking my call last week. I spoke with my members and the consensus on our end is that the week of January 15th 2018 would work best. I was wondering if you were available during that week to meet with us? We wanted to discuss the technical issues we raised in our Quad OOOOa White Papers with you.

Can you let me know if that works?

Thanks,

Matt
